IMPORTANT DATE CHANGE

Now TUESDAY 25th September due to the soccer finals in Sydney on Thursday 27th September (see story below).

Costume Help

We are looking for some costumes and props for our circus performance. We need a parasol, horse costume, dog costume, and some clown and acrobat costumes.

If you have any items which may be suitable, please put your name on and send them to school.

Exciting Soccer Result in PSSA Small Schools Knockout Competition

In an exciting and close game yesterday, our Coffee Camp Small Schools Soccer Team defeated Willow Tree Public School with a score of 2 goals to 1. Benji scored both goals and a third was narrowly missed by Carlos.

This means the team has made it to the final 8 in NSW and progressed to the semi-finals to be held in Sydney on Thursday 27th September. The finals will also be played on that day at the Valentine Sports Centre, home of Football NSW.

If we are to play in these next games, we will need a team of students who are able to fly from the Gold Coast to Sydney on Wednesday, stay in accommodation at the Sports Centre, play 2 games of soccer/football on Thursday and fly back that afternoon.

Please complete the note indicating your interest in participating.

Tuckshop News - Help Needed

Tuckshop Roster Coordinator Position Vacant 2019

Dear Coffee Camp parents,

It is time to start considering a replacement for the role of tuckshop roster co-ordinator, as sadly my youngest son will be finishing Year 6 at the end of the year and I will no longer be a Coffee Camp parent.

As a parent who works on Fridays, co-ordinating the tuckshop roster has enabled me to contribute to the running of the tuckshop without having to actually be there in person. It has been a great way to remain engaged with the school community and still make a valuable contribution to the school, which can be difficult to juggle when working.

The role itself does not require very much time, only an hour or so at the start of each school term collating the roster and communicating with Ros, plus a few tweaks of the roster here and there throughout the term.

If you would like to find out some more about the role or if you have any questions, then you are most welcome to contact me via phone/text 0416 110 438 or linnie.de@bigpond.com.

I have really enjoyed being the roster co-ordinator for the past 5 years and I would like to thank Ros, Susie G, Magali and the P & C committee for supporting me in this role.

Many thanks,
Linda.

Todd Woodbridge Tennis Cup

Due to the ironic presence of rain, the Todd Woodbridge Cup has been postponed to next **Tuesday, 11th September**. Apologies for any inconvenience that this may have caused. It would be greatly appreciated if the parents who made themselves available for transport this week were able to do likewise next week. Please let us know.

We will leave school when the bus arrives at 9am and we will return to school leaving Lismore at 1.30pm.

Please wear full school uniform, shoes, and a hat. Pack recess, lunch and a water bottle.

Hopefully we'll actually get to play some tennis next week!

New School Website

We have a new look school website with a new address. You will find it at www.coffeecamp-p.schools.nsw.gov.au/

Some parts are still under construction so please be patient as we update the content.

Payments can still be made via the **Make a payment** tab.

Gardening News

Kalila and Tamati receiving a cheque for \$500 from Nimbin Garden Club representatives Linda and Mandy.

It's springtime in the school garden. And several students have been busy planting flowers, veggies and ornamentals in time for the Lismore Home Garden Education Club Competition for 2018. The judges will be here next Tuesday 11th. And as we won 1st place (for schools 50 – 100 students) last year, we have a bit of a reputation to keep up! Apart from that, it's fun and educational being out in the garden, and it's great to see a large number of students getting involved.

Other exciting news is that we attracted a Bunnings School Sustainability Pack to the value of \$600. This will allow us to restore the picnic tables and plant some fruit trees. And, we also received a donation of \$500 from Nimbin Garden Club which will allow us to extend the veggie garden and revamp some of the ornamental gardens around the buildings.

So the students will be busy for quite a while yet!

The Channon Teams Day - Friday 21st September

The whole school will participate in a fun day of sports at The Channon on Friday 21st September. The infants will play Danish Rounders and the older students soccer or T-ball.

It is a very social day and we encourage families to join us for a picnic lunch which can be brought from home or bought at the canteen.

Teachers will be supervising games on the field so it is great if we can have a parent helper with each team to help them read the timetable and get to their games on time.

Please let us know if you can be a parent helper.

There will be a small bus for those children who cannot travel by car. Seats are limited so return your permission note early.

Where to Meet

Please meet Mr Crane at 9.30am on the south-western side of the oval, near the old toilet block. He will set up a sun shelter and the school banner.

Things to know:

The playground area is out-of-bounds.

NO soccer boots permitted.

St John's Ambulance will be providing first aid.

Please park in allotted parking area.

What to Pack:

- Wear full school uniform
- Wear enclosed shoes (no soccer boots)
- Bring a hat + sunscreen
- Bring a water bottle
- Bring lunch or money for the canteen

If you have any questions or concerns please contact the school.

Nutrition Snippet

The simplest way
...to create a vegie garden at home

This spring all you need to start growing your own vegetable garden is a foam box!

Foam boxes are light and easy for you and your kids to manage.

Step One: Cut six drainage holes in the bottom of the foam box.

Step Two: Elevate foam box by placing it on some old bricks and fill with potting mix.

Step Three: Plant seedlings or seeds, making sure not to over plant (aim to plant around 4-6 seedlings per box).

Step Four: Water and care for your seedlings daily.

Try planting tomato, pumpkin and zucchini seedlings this spring...and watch your kids enjoy eating the results!

2. Write a shopping list according to the menu plan + stick to it!
3. Compare unit pricing - often you will be able to save a lot of money this way
4. Buy fruit and vegetables that are in season- this can save you up to 35% than other times of the year- or buy canned/frozen where fresh is not available
5. Limit your purchases of processed snacks/meals - these are often unhealthy and expensive
