2/3/4 News

Resilience Program - Mijung Jarjums/Kids in Mind Program

Girls in the 2/3/4 class are being offered a 5 week resilience building workshop at school next term.

This free program is being provided by Social Futures and will run on Monday afternoons during Weeks 2-6 of Term 4. Please complete the permission note and return it to school. If you have questions or concerns, please contact the office.

NAPLAN Results

Students in Years 3 and 5 who participated in NAPLAN testing, done online for the first time in 2019, have been given their results.

The results provide important information to schools about what each student can do, and will be used to support teaching and learning programs.

If you would like to discuss your child's NAPLAN report, please contact the school to make an appointment to speak with their teacher.

Parent Interviews

Parent interviews will be available for parents/carers of all students early in Term 4. There will be information in the bulletin about days and times for appointments.

If you have an urgent matter you may phone the school office at any time to arrange an appointment to speak with your child's teacher or the principal at a time that is convenient for all.

Overdue Library Books

If you have a library notice attached to your newsletter, please look at home for the missing books.

If you cannot find the books please contact the school to let us know that you have looked.

**To keep informed on school activities
always read your weekly bulletin.**

You can find a copy on the website -

www.coffeecamp-p.schools.nsw.gov.au/

**If you have any questions please contact
the office.**

Attendance and absences

Parents or caregivers of children from Kindergarten through to Year 12 are responsible for ensuring their child attends school every day. This means all children between the ages of six years and below the minimum school leaving age are legally required to attend school every day unless they have a valid reason for being absent.

Absentee information

When children miss out on school they miss out on vital information, their learning routine is broken, they can lose confidence and they miss out on building up friendships.

If your child has to be absent from school for any reason, please let the school know either in person or in writing, as soon as possible or within 7 days.

Failure to explain an absence within this time will be recorded as an unjustified absence on a student's record.

Once children are enrolled parents are legally required to send them to school every day that the school is open for instruction or participation in school activities, such as sports days. A small number of absences may be justified if your child:

- has an unavoidable medical or dental appointment (preferably these should be made after school or during holidays)
- has to go to special religious ceremony
- is required to attend a serious and/or urgent family situation (e.g. a funeral)
- is too sick to go to school, or has an infectious illness.

Late Arrivals

Children arriving late to school miss the most important session of the day and often feel disoriented for the remainder of the day. Children should arrive on time and ready for learning every day.

All late arrivals should report to and sign in at the office. This is a NSW Education safety regulation.

Concerns with Attendance

Students whose attendance is less than 90% are monitored as absence impacts on their schooling.

If you have concerns about your child's attendance you can make an appointment to speak with the principal or arrange for your child to talk with the school counsellor.

Non-Teaching Staff School Introduction Training Days

The Department of Education is seeking people who are interested in commencing work within public schools in your area.

The School Administrative and Support (SAS) Staff Reference Group welcome any people looking to start work in school administration to enrol in our Non-Teaching Staff School Introduction training programs.

The aim of this training is to provide participants with an overview of school administrative roles. Participation in these introduction days are **not** a guarantee of employment with the Department of Education. Participants are required to obtain a Working with Children Check (WWCC) clearance for paid work at their own cost. <https://www.kidsguardian.nsw.gov.au/child-safe-organisations/working-with-children-check>. Payment is then made through Service NSW prior to attending day one. To enable processing for potential employment participants are required to bring necessary completed forms, which appear on the MyPL registration page. Many schools have a policy of not employing current parents or associates within their own school.

It would be desirable if participants had a sound knowledge of the Microsoft Office suite.

The training days will be held in the following locations:

Goonellabah office – Wednesday 17 October & Friday 9 November 2018
Tweed Heads South Public School – Wednesday 24 October & Tuesday 13 November 2018
Maclean Public School – Wednesday 24 October & Tuesday 13 November 2018
William Baydon Public School – Wednesday 24 October & Tuesday 13 November 2018
Frederickton Public School – Friday 26 October & Friday 9 November 2018
Port Macquarie Library – Thursday 25 October & Wednesday 7 November 2018
Forster office – Monday 22 October 2018 & Tuesday 6 November 2018

To secure a place in this course, participants will need to register online as a community member on MyPL. Go to the following site <https://mypl.education.nsw.gov.au/> and select Register. After completing the details, an email will be sent with instructions on how to get started and select the venue you wish to attend. The course codes are Day 1: NR22842, Day 2: NR22844.

There will be no cost to the participant other than them acquiring their WWCC prior to attending the training. Tea and coffee will be available throughout the day. Participants are to provide their own morning tea and lunch.

Further information can be provided by contacting the SAS Staff Reference Group (SRG) Coffs Harbour on (02)6623 5911 or by email at SRGCoffsHarbour@det.nsw.edu.au
