Excursion

Last Friday we had our annual excursions. I would like to acknowledge and thank everyone for your wonderful support. Our plans didn't go as expected but all the students dealt with it incredibly well and had a great sense of humour when dealing with running through puddles and missing out on rides. A huge thank you to the parents who attended and also adapted with wonderful support to the teachers to quick changing plans. Its a shame that we had to experience the '50 year storm' but we certainly would not say we didn't appreciate the rain.

As we had missed out on celebrating the entire day we will be celebrating our last day tomorrow with some movies in class and a very informal party. If you are able to provide something to share that would be greatly appreciated but we understand if you can't do this and we will be able to cater for the party at school.

Reports

Semester 2 reports have been sent home this week. Please contact the school if you would like to make an appointment to speak with your child's teacher.

Attendance

Please find attached the whole year attendance sheet in the reports. As we now have a computerised roll it is a great way to keep track of the absences of each student.

Regular attendance at school plays a very important part to the students academic, social and emotional development. If a student misses too much school they find it harder to engage with lessons and any changes in social situations with friends. This will also result in students wanting to attend less as they feel they have lost connection to school. If you are concerned about next year please contact the school for an appointment so we can put plans in place to support all students.

Thank you

As we near the end of another wonderfully successful and busy year at Coffee Camp Public School, I would like to congratulate all of the children on the achievements and progress through the entire year. It is the children that make this place so special and have provided us with many memories to reflect upon.

The Coffee Camp Parents and Community once again displayed enthusiasm and an amazing sense of pride in their school resulting in a positive year for all the children and fabulous fundraising ventures.

The children have participated in and displayed success in academic, cultural and sporting ventures throughout the year. The many opportunities the children are able to participate in are the Performing Arts under the guidance of Jenny V. It is always a pleasure to facilitate the Year 5/6 students in the Grip Leadership Course. Many more experiences such as Lantern Parade, Byron Bay Writers festival, Excursions, Swimming School etc.

As always we participate as a school in our district Swimming, Cross Country and Athletics Carnival. It is always a pleasure to see all of the students participating and displaying excellent sportsmanship. Along with the carnival we had opportunities in The Channon Teams day and various individual sports.

Special thanks to our amazing staff; Desley, Jenny, Iris, Jaimee, Reen as the teaching staff and Ros, Ellie, Ray S, Rob, and especially Tania who have supported all of the students and families to make this a very special place to be throughout the year.

Finally I would like to farewell Year Six students Kali, Carlos and Manoah for their adventure into High School. Congratulations on completing year six. This is a wonderful moment and a time you should enjoy. You are very enthusiastic, loyal, creative and caring students who display amazing empathy and talent.

I wish you all the best on your time at high school and the future, and remember to believe in yourself, make good choices and have fun.

Wishing all of the families and friends of Coffee Camp a very Merry Christmas and safe and Happy New Year and I look forward to seeing all of these amazing children next year.

Thank you

Jane Varcoe
