Mothers Day Gift Stall - P & C Fundraiser

The P&C are starting a new fundraiser for Mother's Day and Father's Day. This year Mother's Day is on Sunday 12th May. There will be a stall at school on Friday 10th May where children can buy a gift for \$5. We are asking people to donate gifts before this time, to the value of \$5-\$10. The idea is that gifts are simple and inexpensive, however a thoughtful token of our appreciation. Homemade or recycled gifts (in good condition) are acceptable – it's ok to be creative! Suggestions of gifts include a potted plant, a book, home-made Lavender scented pouches, a photo frame. Your support would be greatly appreciated - all funds raised go to the P&C.

Applications for Year 5 Opportunity Class placement 2020

Please see information below about Opportunity Class applications for 2020.

Opportunity classes cater for academically gifted and talented students who may otherwise be without sufficient classmates at their own academic and social level. These schools help gifted and talented students to learn by grouping them with other gifted and talented students, teaching them in specialised ways and providing educational materials at the appropriate level.

Applications for opportunity class placement are considered mainly on the combined results of the Opportunity Class Placement Test and school assessments. The Opportunity Class Placement Test will be held on **Wednesday 31 July 2019**.

If you would like to have your child considered for Year 5 opportunity class entry in 2020, you need to apply soon. You will need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply online will be available from **Tuesday 30 April 2019** at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-5>

The application website opens on **Tuesday 30 April 2019** and closes on **Friday 17 May 2019**. You must apply by the due date.

There are no paper application forms. If you do not have internet access, you could apply at a public library. If you have a disability that prevents you from using a computer, you can contact the Team for assistance after **30 April 2019**.

You must submit only ONE application for each student..
