GAMES YOU COULD PLAY

RHYMING TIME: after writing a list word, think of words that **rhyme** with the list word, make a **SILLY SENTENCE**. Like: **bird-word-heard**, "I heard the bird sound out a word."

GRAPHEME SPLIT: Cut out **SMALL SQUARE PIECES of paper**. Before writing the word, let your child make a **FIST AND LIFT ONE FINGER** each time she/he sounds out one sound(phoneme) in the word. **Each sound (phoneme) is written on one square**. Place them in the correct order. When writing the next word with the same sound, the already created squares can be reused.

Like: G-oo-d-b-ye, LIFT UP 5 FINGERS — WRITE ON SQUARES: **G OO D B YE**

Channon Teams Day

Last Thursday 12th September the whole school participated in a fun day of sports at the Channon. The infants played Danish Rounders whilst the older students played Soccer. It was a great social outing for students and a great time was had by all. A special thanks to the parents who helped out on the day.

Do you have a place in your heart and home to make a difference to a child's life?

At the moment, there aren't enough foster carers to care for children in need across New South Wales. Put simply, we need more carers for all types of care.

There is a type of care to suit your family:

- **Emergency care:** A temporary haven for kids when first need a safe place to stay.
- **Respite care:** Respite carers look after children on an occasional basis to give their regular carers a break.
- **Short-term care:** Short-term carers look after children while their families work to bring them home.
- **Adoptive parents and guardians:** When kids can't return home, adoption or guardianship provides them with the safety and stability they need to thrive.

A special community awaits you.

The My Forever Family NSW program provides ongoing support, advice and training for all foster carers, guardians and adoptive parents.

School Uniforms

Shirts in all sizes are available.

Sizes 5-14 are \$25 a shirt.

No Waste lunch day on Wednesdays

We encourage the children to pack their lunch using products that can be reused or recycled or composted.

We have compost bins at school to take care of food scraps and paper lunch wraps.

Wednesday will be our special no waste lunch day.

There will be a shared class prize.

Secondhand School Uniforms

If you wish to grab an extra shirt, in case of weather conditions not allowing laundry to dry. We have plenty of sizes in our secondhand uniforms. Please come into the office.

Lismore City Council invites you to Water Wednesday – at Rocky Creek Dam - October 9th 10 to 2pm - Free School Holiday family fun
Come out to Rocky Creek Dam picnic area to explore, create and learn through a series of outdoor activities more about water, water saving, our water catchment and the plants and animals of the Big Scrub.

Ample parking is available or catch the free bus from the Lismore Visitor Centre, it leaves at 9.30 and will be back in Lismore 1.30 pm – bus bookings essential ring 1300 87 83 87.

Children must be accompanied by a supervised adult at all times. - Please be safe and aware when walking in the carpark. Bring a hat, sunscreen and drinking water. You may also like to bring a picnic to have with beautiful dam views or amongst the rainforest.

Normally the School Holiday fun is at the Lismore Recycling and Recovery Centre but as this is not possible at the moment, we thought it was a great opportunity to run the event at one of Lismore's special places – Rocky Creek Dam. This also gives us a chance to think more about where our water comes from and using it wisely as well as taking a closer look at the plants and animals of the Big Scrub.

Free fun on the day includes: Nature activities: Take a close-up look at the rainforest plants of the Big Scrub.

1. Backyard birds: Identify local birds and their calls. Come along for info and get involved in the Aussie backyard bird count.
2. Koala watch and habitats: When does a koala need our help? Where does our wildlife live and why?
3. Catchment creation: Why do we need trees? Find out in this great learning activity.
4. Water walk: Take a guided walk across the dam wall. How does the water get from the dam to the tap and back?
5. Information Tent: Ask about what's on and play the giant water-saving game.
6. 3D working Catchment Model: How can we help to keep the water clean and healthy?
7. Water science: Try some water experiments to make water lilies and giant bubbles.
8. Be waste wise: Draw your own design on a reusable bag to take home and shoot the 10c container basketball hoop!

Lismore City Council is hosting Water Wednesday with support from the Lismore Rainforest Botanic Gardens, Friends of the Koala, Richmond Landcare, Rous County Council, Dorrroughby Environmental Education Centre and NE Waste.
