## A note from the Relieving Principal

Dear Parents and Carers

I would like to extend a huge thank you to the P&C for their support of our Senior Class Excursion to Canberra next term. Their massive contribution has helped reduce the final cost quite significantly for families, especially in these uncertain fiscal times. At this point, I would like to encourage all families to become involved in the school P&C to help support our students and guide the future direction of Coffee Camp PS.

A modified version of our K-6 Student Reports will be sent home at the end of this term. The report will be based on a mixture of learning opportunities offered during Semester 1, with consideration for remote learning and the fact that not all students covered the same syllabus outcomes or content during this time. If you wish to share any insights with your class teacher about your child's specific achievements during remote learning, please send your child's class teacher a written response by next Friday.

If a child presents as sick to the office, you will be asked to come and collect your child. While we understand that the symptoms can look like a cold or flu, we can't take risks with the health of other children or staff. Symptoms to watch out for are fever, a cough, sore throat, fatigue, shortness of breath. We would like to thank the parents who have made a quick phone call to the office to let us know their child is unwell, it helps with our roll marking and planning for the day. In addition to this, we would like to remind parents that the school bubblers are not available for student use throughout the day and therefore it is essential that all students bring a labelled drink bottle to school.

The earth has been turned and concrete edging has been set, however, in typical catch-22 fashion, the welcomed rain has put a hold on further works to the court. We will keep you posted on the progress.

Regards

Andrew Dixon  
Relieving Principal

**\*\* Attention: Current Year 4 students only \*\***

Changes to the opportunity class placement process for 2020 Year 4 students.

The 2021 Year 5 opportunity class placement process was put on hold in April 2020 due to the COVID-19 situation. We now have a revised and simplified timeline for the OC placement process to ensure that students and families can have certainty about their placement as soon as possible.

The changes include:

- A new date for online applications. Parents must apply between 9 June 2020 and 26 June 2020. Late applications cannot be accepted.
- A new test date - Wednesday 16 September 2020. To ensure fair and consistent assessment of students across New South Wales, students will be offered places based only on their test results this year – there will be no school assessment scores.

Offers will be made to successful students overnight on 1 December 2020. There will also be no opportunity for appeals given the tight timeframes.

For further detailed information visit:

The nearest Opportunity Class to Coffee Camp PS is at Goonellabah Public School.

Some families using LOOP have been unable to find their child's class. This is because we do a whole school order and not individual class orders. Therefore parents need to choose the ALL classes WHOLE school option.

# Making Paper Planes

The junior class had a lot of fun making paper planes with Ms. Anderson. They had even more fun flying them.
